Subject: Fwd: New Time Proposed: Rosemont Briefing

Mike Shapiro is requesting that we push the briefing to 3 hours later today (1pm our time) or to another day altogether. The scheduled time is the only slot that appeared to work for everyone when I was scheduling this last week, so I don't know how many other participants will be available later. Currently, the following HQ folks have accepted for the original time: Rob Tomiak, Larry Starfield, Greg Peck, and David Cozad. Shall we proceed with this group, or try to find another time/day when Mike can participate?

-Kathy
